

Uniclass 2015

Ac - Activities Table v1.2

January 2017

General changes

We have carried out an exercise to ensure there is consistency throughout the tables. This has resulted in some amendments to classifications. We have also been working with the Metropolitan Police to assist them in an exercise to code Spaces and Activities in line with Uniclass 2015 and this has resulted in the addition of some new Activities. The Activities table has been amended as detailed below.
