

# Uniclass 2015

## Co – Complexes Table v1.4

October 2017

### General changes

Continuing the work with the Environment Agency there is a minor amendment to a complex to meet a new requirement. The Complexes table amendment is detailed below.

### Particular changes

v1.3 Code	v1.4 Code	Classification	Notes
Co_32_85_97	No change	Water level and flow monitoring complexes	Complex classification amended from ' <i>Water level monitoring complexes</i> '.
