

# Uniclass 2015

## SL – Spaces Locations Table v1.8

April 2018

### General changes

We have added some new spaces in response to requests for new codes from users. In particular, we have met with tunnel specialists Dr. Sauer & Partners Ltd and identified a need for construction spaces, including excavation volumes and space proofing envelopes. We have also amended codes that are duplications of codes elsewhere in the tables. See below for details.

### Particular changes

v1.7 Code	v1.8 Code	Classification	Notes
SL_20_80	No change	Weaponstraining spaces	Space classification amended from <i>Weapons training ranges</i> to remove duplication.

v1.7 Code	v1.8 Code	Classification	Notes
