

Uniclass 2015 Systems Table Ss_v1.7

July 2017

General changes

The changes include some corrections to existing descriptions and some new systems have been added.

Particular changes

| v1.6 Code | v1.7 Code | Classification | Notes |
|-----------|-----------|----------------------------------|--|
| Ss_20_50 | No change | Bridge abutment and pier systems | System corrected from ' <i>Bridge abutments and piers systems</i> '. |

| v1.6 Code | v1.7 Code | Classification | Notes |
|----------------|----------------|--|---|
| Ss_25_30_20_93 | No change | Up and over doorset systems | System corrected from ' <i>Up over doorset systems</i> '. |
| | Ss_25_45_70_90 | Tiling and mosaic render substrate systems | System added. |

| v1.6 Code | v1.7 Code | Classification | Notes |
|-------------|-----------|------------------------------|--|
| Ss_30_14_50 | No change | Mat and sheet paving systems | System corrected from ' <i>Mat and sheet paving systems</i> '. |

| v1.6 Code | v1.7 Code | Classification | Notes |
|----------------|----------------|---|---|
| | Ss_32_46_65_90 | Tiling and mosaic plaster substrate systems | System added. |
| Ss_32_80_03 | No change | Applied waterproofing and tanking systems | System renamed from ' <i>Applied systems</i> '. |
| Ss_32_80_03_90 | No change | Tunnel spray-applied membrane systems | System corrected from ' <i>Tunnel-spray applied membrane systems</i> '. |
| Ss_32_80_79 | No change | Sheeted waterproofing and tanking systems | System renamed from ' <i>Sheeted systems</i> '. |

| v1.6 Code | v1.7 Code | Classification | Notes |
|-----------|-----------|-------------------------------------|---|
| Ss_37_50 | No change | Shaft and tunnel structural systems | System corrected from ' <i>Shafts and tunnels structural systems</i> '. |

| v1.6 Code | v1.7 Code | Classification | Notes |
|-------------|-----------|---------------------------------------|--|
| Ss_40_45_70 | No change | Residential living space FF&E systems | System corrected from ' <i>Residential living spaces FF&E systems</i> '. |

| v1.6 Code | v1.7 Code | Classification | Notes |
|-------------|-----------|---|---|
| Ss_60_40_15 | No change | Combined heating, cooling and power systems | System renamed from ' <i>Combined heating, cooling and power</i> '. |

| v1.6 Code | v1.7 Code | Classification | Notes |
|------------------|------------------|---|---|
| Ss_70_30_35 | No change | High voltage distribution and transmission systems | System corrected from ' <i>High-voltage distribution and transmission systems</i> '. |
| | Ss_70_30_35_30 | High voltage supply systems | System added |
| Ss_70_30_35_35 | No change | High voltage distribution systems | System corrected from ' <i>High-voltage distribution systems</i> '. |
| Ss_70_30_35_40 | No change | High voltage transmission systems | System corrected from ' <i>High-voltage transmission systems</i> '. |
| Ss_70_30_45 | No change | Low voltage systems | System corrected from ' <i>Low-voltage systems</i> '. |
| | Ss_70_30_45_40 | Low voltage supply systems | System added. |
| Ss_70_30_45_45 | No change | Low voltage distribution systems | System corrected from ' <i>Low-voltage distribution systems</i> '. |
| Ss_70_30_80_45 | No change | Low voltage small power systems with prefabricated wiring | System corrected from ' <i>Low-voltage small power systems with prefabricated wiring</i> '. |

| v1.6 Code | v1.7 Code | Classification | Notes |
|------------------|------------------|--|---|
| | Ss_75_50_28_22 | Domestic premises fire detection and alarm systems | System added. |
| Ss_75_70_85_86 | No change | Sub-surface monitoring array systems | System corrected from ' <i>Sub-surface monitoring arrays systems</i> '. |
| Ss_75_70_85_90 | No change | Tilt sensor monitoring systems | System corrected from ' <i>Tilt sensors monitoring systems</i> '. |

| v1.6 Code | v1.7 Code | Classification | Notes |
|------------------|------------------|--|--|
| Ss_90_25 | No change | Specific demand of cultural, educational, scientific and information organizations | System renamed from ' <i>Specific demand of cultural, educational, scientific and information</i> '. |
