

Uniclass 2015

TE – Tools and equipment Table v1.5

August 2018

General changes

We have been working with Transport for New South Wales and have added a number of new codes to the Tools and equipment table for workshop and on site equipment. We have also taken the opportunity to rationalize the section dealing with lifting equipment. See below for details.

Particular changes

v1.4 Code	v1.5 Code	Classification	Notes
TE_30_20	TE_30_30_10	Construction lifts	Tools and equipment subgroup moved and changed to a section classification.
TE_30_20_10	TE_30_30_10_10	Lift bottom and landing gates	Tools and equipment section moved and changed to an object classification.
TE_30_20_40	TE_30_30_10_10	Lift cages	Tools and equipment section moved and changed to an object classification.
TE_30_20_50	TE_30_70_50	Lifting mechanisms	Tools and equipment moved to new subgroup.
TE_30_20_60	TE_30_30_10_10	Lift platforms	Tools and equipment section moved and changed to an object classification.
TE_30_20_80	TE_30_30_10_10	Lift safety limiters	Tools and equipment section moved and changed to an object classification.
TE_30_30	No change	Lifts, hoist and winches	Tools and equipment subgroup title changed from <i>Winches</i> . Classifications reorganised.
TE_30_30_10	TE_30_30_90_10	Double drum friction winches	Tools and equipment section moved and changed to an object classification.
TE_30_30_70	TE_30_30_90_70	Single drum winches	Tools and equipment section moved and changed to an object classification.
TE_30_40	TE_30_30_40	Hoists	Tools and equipment subgroup moved and changed to a section classification.
TE_30_40_10	TE_30_30_40_10	Lorry loaders	Tools and equipment section moved and changed to an object classification.
TE_30_40_40	TE_30_30_40_40	Mobile hoists	Tools and equipment section moved and changed to an object classification.

TE_30_40_60	TE_30_30_40_60	Rack and pinion dual use hoists	Tools and equipment section moved and changed to an object classification.
TE_30_40_70	TE_30_30_40_70	Rack and pinion single use hoists	Tools and equipment section moved and changed to an object classification.
TE_30_40_80	TE_30_30_40_80	Scaffold hoists	Tools and equipment section moved and changed to an object classification.
	TE_30_30_90	Winches	Tools and equipment section added.
TE_30_60	TE_30_30_60	Lifting platforms	Tools and equipment subgroup moved and changed to a section classification.
	TE_30_30_60_40	Portable platforms	Tools and equipment added.
TE_30_60_50	TE_30_30_60_50	Self-propelled platforms	Tools and equipment section moved and changed to an object classification.
TE_30_60_60	TE_30_30_60_60	Scissor lifts	Tools and equipment section moved and changed to an object classification.
TE_30_60_70	TE_30_30_60_70	Telescopic platforms	Tools and equipment section moved and changed to an object classification.
TE_30_60_80	TE_30_30_60_80	Trailer mounted platforms	Tools and equipment section moved and changed to an object classification.
TE_30_60_95	TE_30_30_60_95	Vehicle mounted platforms	Tools and equipment section moved and changed to an object classification.
TE_30_70_20	TE_30_70_50_11	Chain blocks	Tools and equipment section moved and changed to an object classification.
TE_30_70_30	TE_30_70_50_14	Chains	Tools and equipment section moved and changed to an object classification.
	TE_30_70_40_11	Cable drum jacks	Tools and equipment added.
	TE_30_70_40_60	Pallet jacks	Tools and equipment added.
	TE_30_70_50_45	Lifting levers	Tools and equipment added.
TE_30_70_50	TE_30_70_50_60	Pull lifts	Tools and equipment section moved and changed to an object classification.
TE_30_70_60	TE_30_70_50_70	Ropes	Tools and equipment section moved and changed to an object classification.
TE_30_70_70	TE_30_70_50_80	Slings and brothers	Tools and equipment section moved and changed to an object classification.
TE_30_70_80	TE_30_70_50_95	Wires	Tools and equipment section moved and changed to an object classification.
TE_30_80	TE_30_30_80	Lifting trucks	Tools and equipment subgroup moved and changed to a section classification.
TE_30_80_30	TE_30_30_80_30	Lift trucks	Tools and equipment section moved and changed to an object

			classification.
TE_30_80_50	TE_30_30_80_50	Manual lift trucks	Tools and equipment section moved and changed to an object classification.
TE_30_80_70	TE_30_30_80_70	Portal lift trucks	Tools and equipment section moved and changed to an object classification.

v1.4 Code	v1.5 Code	Classification	Notes
TE_70_10_40_11		Cable and pipeline detectors	Tools and equipment object deleted and new codes added in TE_70_50_45.
	TE_70_10_90	Site ventilation and air conditioning equipment	Tools and equipment section added.
	TE_70_10_90_22	Portable dehumidifiers	Tools and equipment added.
	TE_70_10_90_32	Portable fans	Tools and equipment added.
	TE_70_20_10_97	Weld shears	Tools and equipment added.
	TE_70_20_20_01	Acoustic attenuators	Tools and equipment added.
	TE_70_20_20_03	Acoustic enclosures	Tools and equipment added.
	TE_70_20_20_05	Acoustic quilts	Tools and equipment added.
	TE_70_20_20_07	Acoustic shrouds	Tools and equipment added.
	TE_70_20_20_10	Breathing apparatus	Tools and equipment added.
	TE_70_20_20_37	Hotsticks	Tools and equipment added.
	TE_70_20_20_62	Portable safety barriers	Tools and equipment added.
	TE_70_20_25	Maintenance equipment	Tools and equipment section added.
	TE_70_20_25_34	Grease guns	Tools and equipment added.
	TE_70_20_25_37	Hedge trimmers	Tools and equipment added.
	TE_70_20_25_46	Lawn-mowers	Tools and equipment added.
	TE_70_20_25_55	Mulching machines	Tools and equipment added.
	TE_70_20_25_65	Pruning shears	Tools and equipment added.
	TE_70_20_25_90	Tool sharpeners	Tools and equipment added.
	TE_70_20_25_94	Vacuum cleaners	Tools and equipment added.
	TE_70_20_25_96	Wood chippers	Tools and equipment added.
	TE_70_20_35_70	Rail tensor kits	Tools and equipment added.
	TE_70_20_35_79	Spike drivers	Tools and equipment added.
	TE_70_20_35_80	Spike pullers	Tools and equipment added.
	TE_70_20_50_56	Needle scalers	Tools and equipment added.
	TE_70_40_10_65	Prism sets	Tools and equipment added.
	TE_70_40_50_06	Binoculars	Tools and equipment added.
	TE_70_40_50_22	Distance meters	Tools and equipment added.
	TE_70_40_50_37	Height sticks	Tools and equipment added.
	TE_70_40_50_46	Laser aligners	Tools and equipment added.
	TE_70_40_50_53	Measuring wheels	Tools and equipment added.
	TE_70_40_50_54	Micrometers	Tools and equipment added.
	TE_70_40_50_82	Sound level meters	Tools and equipment added.
	TE_70_40_50_94	Verniers	Tools and equipment added.

	TE_70_40_70_89	Tibrachs	Tools and equipment added.
	TE_70_50_15_03	Alligator saws	Tools and equipment added.
	TE_70_50_40_05	Augers	Tools and equipment added.
TE_70_50_40_06	TE_70_50_40_21	Diamond drilling and chasing equipment	Tools and equipment code corrected.
TE_70_50_40_07	TE_70_50_40_22	Drill bits	Tools and equipment code corrected.
TE_70_50_40_09	TE_70_50_40_23	Drill rods	Tools and equipment code corrected.
TE_70_50_40_10	TE_70_50_40_24	Drill stands	Tools and equipment code corrected.
	TE_70_50_45	Hand-held equipment	Tools and equipment section added.
	TE_70_50_45_02	Adhesive guns	Tools and equipment added.
	TE_70_50_45_08	Bolt tensioning tools	Tools and equipment added.
	TE_70_50_45_11	Cable cutters	Tools and equipment added.
	TE_70_50_45_12	Cable locators	Tools and equipment added.
	TE_70_50_45_17	Crimping tools	Tools and equipment added.
	TE_70_50_45_25	Dynamometers	Tools and equipment added.
	TE_70_50_45_27	Engraver	Tools and equipment added.
	TE_70_50_45_37	Heat guns	Tools and equipment added.
	TE_70_50_45_39	Hydraulic wrenches	Tools and equipment added.
	TE_70_50_45_42	Impact wrenches	Tools and equipment added.
	TE_70_50_45_50	Metal detectors	Tools and equipment added.
	TE_70_50_45_56	Nail guns	Tools and equipment added.
	TE_70_50_45_57	Nibblers	Tools and equipment added.
	TE_70_50_45_63	Pipeline locators	Tools and equipment added.
	TE_70_50_45_72	Rivet guns	Tools and equipment added.
	TE_70_50_45_88	Torque wrenches	Tools and equipment added.
	TE_70_50_45_96	Wire pullers	Tools and equipment added.
	TE_70_50_45_97	Wire tensioners	Tools and equipment added.
	TE_70_60_30_30	Floor polishers	Tools and equipment added.
TE_70_60_80	TE_70_20_25_85	Strimmers	Tools and equipment classification moved to new subgroup Maintenance equipment.
	TE_70_80_25	Electrical testing equipment	Tools and equipment section added.
	TE_70_80_25_11	Cable fault reflectometers	Tools and equipment added.
	TE_70_80_25_12	Cable fault locators	Tools and equipment added.
	TE_70_80_25_15	Clamp meters	Tools and equipment added.
	TE_70_80_25_30	Frequency selective meters	Tools and equipment added.
	TE_70_80_25_32	Fuse finder kits	Tools and equipment added.
	TE_70_80_25_42	Illuminance meters	Tools and equipment added.
	TE_70_80_25_44	Impedance meters	Tools and equipment added.
	TE_70_80_25_76	Scopometers	Tools and equipment added.
	TE_70_80_25_92	Ultrasonic flaw detectors	Tools and equipment added.
